Scanlator Note

Same explanation about the names.

Feng's ex-lover's name is Xiao (晓 – means "down"). And Xiao Wei's (小蔚) name is Wei (蔚 means "vibrant" - hard to find an equivalent English word for this one, but it basically means colorful and brilliant, like what you see through a kaleidoscope). Xiao – 小 is a Chinese honorific equivalent to the Japanese kun.

So basically, the main character of this story will be Wei-kun should this be a manga from Japan, but as this is a manhua from China, so he's Xiao Wei :)

Starting from this chapter, "Xiaowei" will be used instead of "Xiao Wei" to avoid confusion in the future.
